Kaneki, an average college student, is fated to live as a Ghoul when Rize's organs are transplanted into him. While questioning and struggling with the existence of creatures that take human lives to survive, he searches for how the world should be. One day while at Anteiku, he is abducted by the Aogiri Tree. While being held captive and viciously tortured by Yamori, he accepts that he is a Ghoul. He later relocates to the 6th Ward with Tsukiyama and Banjo in pursuit of Dr. Kano. They arrive at Kano's underground lab and face a series of startling revelations that transform Kaneki into a half-Kakuja. They face off against the CCG, but…?!
